Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 10-16, the allowability in combination with the other claimed features is because nowhere in the prior art is there a double layer capacitor having the first and second primary coatings include conducting carbon powder and the first and second secondary coatings include activated carbon powder. Regarding claims 10-16, the allowability in combination with the other claimed features is because nowhere in the prior art is there a double layer capacitor having the primary layer comprises conductive carbon and the secondary layer comprises activated carbon.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Citation of Pertinent Prior

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
